SENSI CORE “4543”

(Article number: 45436, 45437, 45439)

Short description:

This tape is made of a extra thin, smooth special paper (washpaper), is very conformable, easy to tear off and ensures very flat paint edges. It is excellent for sensitive surfaces, in which a low adhesive strength is required such as wallpapers, repair and restoration works.

Product data:

Material	saturated japanese paper	
Adhesive	acrylic	
Total thickness	75my	AFERA 5006
Adhesion to steel	0,9 N/cm	AFERA 5001
Weight	70g/m ²	ISO 536
Tensile strenght	25 N/cm	AFERA 5004
Elongation to break	3,0%	AFERA 5004
Temperature Resistant	until +100°C	
UV resistant	until zu 7 days	

Aplication:

The surface must be free of dust-, fat- and oil. It's especially suitable for indoors. The SENSI CORE is up to 15 days after applying removable and 7 days UV resistant. Remove the tape as soon as possible after work. It's essential to carry out a relevant test adhesion before doing actual work.

Important: The tape should be removed at least after 40 minutes the aplication of paint.

Conditions:

Store in a cool and dry place, away from sunlight and direct heat sources (15-25°C / 50% relative humidity). As far as the storage conditions are respected, the product is garanteed 12 months.
